Come join us and experience Derek live on stage at the Peoria Civic Center! Derek will be performing his first live tour without his sister Julianne. If you have seen this half of the dynamic duo in the past you know you will not be disappointed.

We will have family style dinner at Bernardi's in Washington, IL prior to the performance. If you remember Bernardi's is a sister property to Mona's and Capponi's in Toluca so you know the food will be great.

The show begins at 7:30 p.m. and is expected to be as spectacular as the other tours that Derek has performed.

Call Green River Lines today seats are limited and will be going fast.

One phone call 815-224-9276 is all it takes and tickets are payable upon registration. We would love for you to join us on this mid week getaway.

We will be departing Peru, Ottawa and Streator. Why not join us?
